## Generous Reflections

Most people believe that money brings happiness, so they always want more of it. But money does not bring happiness. Money and the things that money can buy do not produce the good life. The good life is found in a relationship with Jesus and in using what God has given us to build his kingdom. Through the working of the Holy Spirit, we will hold the things of this world loosely and focus on things that are eternal.

**Father of our Lord Jesus Christ**, as our country prepares to inaugurate a new president tomorrow, we beg that You would send Your richest blessings upon President-elect Trump. Give to him the wisdom he will need to carry forward the responsibilities of his office in integrity and honor; guard him from every danger of body and soul and surround him always with those who will give him honest and good counsel. Guard us from all violence and sedition and make us a just and caring nation, where Your Gospel may go forth unhindered and to the joy and upbuilding of Your Church. We ask it through Jesus Christ, our Lord. **Amen.**
