SOMETHING TO THINK ABOUT

Far too often, we live with a false sense of ownership of the things we possess. We can easily fall into the trap of believing that we are the owners of our property. Don't we think that we deserve what we have because we consider ourselves smart and hard working? Our success is viewed as our individual accomplishments. However, through faith God gives us, we understand the words of Deuteronomy 8:18: *"But remember the Lord your God, for it is he who gives you the ability to produce wealth, and so confirms his covenant, which he swore to your forefathers, as it is today."* God makes all things possible including our ability to work and make money.
