SUNDAY BIBLE STUDY *A Man Named Martin*-Part 3: *The Moment* viewers will see how the Reformation transformed European society and, eventually, left a profound impression around the globe. Everything from education, politics, science, theology, marriage, and the family - and even extending to one's view of vocation and his relationship to God - came under the shaping and seminal influence of the Reformation.

According to Rev. Dr. Gregory Seltz, "The greatest thing about the Reformation are the solas: grace alone, faith alone, Christ alone, Scripture alone because, in reality, what it does is it establishes the worth of a human being before God in a way that can't be done by people; it's done by God in Jesus Christ."

You are invited!

The Blessing of Contentment

"Whoever loves money never has money enough; whoever loves wealth is never satisfied with his income. This too is meaningless" (Ecclesiastes 5:10).

"I am not saying this because I am in need, for I have learned to be content whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in

want" (Philippians 4:11-12).

Of all the gifts God gives us, contentment may be one of the most important, yet least understood and most elusive. To find the source of contentment, we may need to experience discontent in the places many of us search for it. It is contrary to our thinking that less of something, material goods, power or fame, actually results in having more of what we really crave: peace, reliance on God, and being known by him.

Prayer: Dear Lord, thank you for all your blessings to me. Thank you especially for the price that you were willing to pay for my redemption. Help me to be

more thankful and help me to live with an attitude of contentment. In your precious name I pray. **Amen.**
