SUNDAY BIBLE STUDY A Man Named Martin-Part 3: The Moment viewers will see how the Reformation transformed European society and, eventually, left a profound impression around the globe. Everything from education, politics, science, theology, marriage, and the family - and even extending to one's view of vocation and his relationship to God - came under the shaping and seminal influence of the Reformation. According to Rev. Dr. Gregory Seltz, "The greatest thing about the Reformation are the solas: grace alone, faith alone, Christ alone, scripture alone because, in reality, what it does is it establishes the worth of a human being before God in a way that can't be done by people; it's done by God in Jesus Christ."
