SUNDAY BIBLE STUDY A Man Named Martin-Part 3: The Moment viewers will see how the Reformation transformed European society and, eventually, left a profound impression around the globe. Everything from education, politics, science, theology, marriage, and the family - and even extending to one's view of vocation and his relationship to God - came under the shaping and seminal influence of the Reformation. According to Rev. Dr. Gregory Seltz, "The greatest thing about the Reformation are the solas: grace alone, faith alone, Christ alone, scripture alone because, in reality, what it does is it establishes the worth of a human being before God in a way that can't be done by people; it's done by God in Jesus Christ."

HARP Mission aims to transform the spiritual and physical lives of people in need by providing services to senior citizens, veterans, disabled adults, victims of domestic assault, natural disasters victims, and low-income families. These needs are met through 5 main programs :

[Just The Basics](#)

Providing basic living items which are essential for daily life to low-income families, veterans, senior citizens and disabled individuals. By providing these basic items to clients, we are helping them get one step closer to being self sufficient.

[Making Disciples](#)

Teaching youth groups to serve God by

helping those in-need.

[Living in Hope](#)

Addressing housing insecurity issue by providing home-maintenance, repairs, and temporary housing. HARP Mission often utilizes its 'Making Disciples' program to provide home repairs, wheelchair ramps, and handicapped accessible bathrooms. Temporary housing is being established on a property near the HARP job training center and warehouse. This year so far, HARP Mission has helped 68 senior citizens, 26 veterans, and families restore their homes to a safe and secure environment.

[Learning to Earn](#)

Helping those having difficulty finding employment by providing job training and finding permanent job opportunities.

[Disaster Response](#)

Providing early response and long term recovery to areas in America that have suffered from a natural disaster. In August and September 2017, HARP sent 15 trucks down to heavily hit areas of Texas and Florida. These trucks are filled with water, flood buckets of cleaning supplies, tools, building materials, quilts, bibles, school supplies, and more.
