The **Adult Bible Class continues** with a new study on the Epistle to the Galatians. Come and join us over the summer months as we take a look at Paul's letter to the Christian Churches in Galatia. Although Paul's epistle is only 6 chapters long, it wonderfully explains how we become righteous in God's sight by grace through faith. When speaking of our salvation, we do not perform, but receive; we do not have, but accept. In modern words: The difference between other religions and Christianity is the difference between "do" and "done."
