The **Adult Bible Class continues** with a new study on the Epistle to the Galatians. Come and join us over the summer months as we take a look at Paul's letter to the Christian Churches in Galatia. Although Paul's epistle is only 6 chapters long, it wonderfully explains how we become righteous in God's sight by grace through faith. When speaking of our salvation, we do not perform, but receive; we do not have, but accept. In modern words: The difference between other religions and Christianity is the difference between "do" and "done."

God Bless America

In the history of our nation, people have turned to God during periods of crisis. And that's what God asks us to do: *"If my people, who are called by My name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from Heaven and will forgive their sin and will heal their land"* (2 Chronicles 7:14). How gracious is our God to answer our pleas for help, but how foolish we are to go our own way when the crisis has passed!

Prayer: Good and gracious heavenly Father, we give you praise and thanks because you are the Lord of lords. Thank you for blessing me with such a wonderful country where I am free to worship you. Grant the United States of America the ability to remain "one nation under God." Help this nation to be a blessing to other nations in the world. In Christ's name I pray. **Amen.**
