The **Adult Bible Class continues** with a new study on the Epistle to the Galatians. Come and join us over the summer months as we take a look at Paul's letter to the Christian Churches in Galatia. Although Paul's epistle is only 6 chapters long, it wonderfully explains how we become righteous in God's sight by grace through faith. When speaking of our salvation, we do not perform, but receive; we do not have, but accept. In modern words:

The difference between other religions and Christianity is the difference between "do" and "done."

*If you see life and people as being on loan to you, you can see all as gifts. Revere all that you have with gratitude, and hold everything in open hands. During prayer, open your hands and surrender all the important treasures and relationships of your life to God. Spend time expressing your gratitude to God for each gift and relationship.*

*Why am I here? What am I going to do with my life? The way you answer these questions determines the way you look upon your responsibility for stewardship of your time, your talent, and your material possessions. Stewardship means: Management for others. What resources have God given to you*
