SERMON SERIES - FEBRUARY Pastor has prepared a series of sermons based on the HOPE that we have. Our “hope” is more than just wishful thinking or praying. Our “hope” gives us more than “it might happen.” That’s because our **“HOPE comes from believing the promises of GOD!”** The promises that God grants to us is the assurance of things that He has given to those who believe in Him. As people of faith we cling to His words of promises. Over the several weeks of this series we will take a look at some of those promises that God has given to His people. Come and join us each week for a wonderful promise of God that will fill our lives with hope and empower us to live as the children of God.

Be devoted to
one another
in love. Honor
one another
above
yourselves.
